## SKIN CARE MENU

### **Green Papaya Facial** \$60.00

This facial utilizes enzymes from the green papaya to "digest" the problem skin cells, without harming living healthy cells. You can see an immediate improvement in skin texture and clarity.

*Approximately 50 minutes*

### **Paraffin Wax Facial** \$65.00

This facial includes a warm, inviting paraffin wax treatment that will boost your skin's hydration. (Not suggested for Rosacea clients.)

*Approximately 50 minutes*

### **Age-Intervention Resurfacing Facial** \$80.00

This accelerated facial incorporates two effective topical exfoliants. The combination of glycolic acid and proteolytic enzymes intensifies the resurfacing action. It provides measurable results for virtually all skin types.

*Approximately 50 minutes*

### **Vitamin C Facial** \$80.00

Vitamin C plays an essential role in every aspect of the skin's function, including protection from UV damage and repair of aging factors. This facial incorporates Vitamin C to provide you with immediate skin retexturing, smoothing and firming results.

\*Add on Vitamin C hand treatment during this facial **\$10.00**

*Approximately 50 minutes*

### **Resurfacing Gel Peel and Exfoliate** \$100.00

This Resurfacing Peel is a highly concentrated solution of glycolic acid. This Peel offers benefits for aging and photo-damaged skin (sun damaged), acne, hyperpigmentation and scar reduction. This Peel greatly assists in accelerating the results achieved with our Bioglycolic Home Care Products.

*Approximately 30 minutes*

\*For best results, series of 6 (weekly) Peels **\$500.00**

### **Silk Peel** \$120.00

This is one of the most advanced skin treatments available. Most microdermabrasion only exfoliate, but the Silk Peel infuses skin-specific dermaceuticals to your skin. It will leave you with fresher feeling and healthier skin with no down time!

*Approximately 30 minutes*

\*Series of 4 **\$400.00**

### **Microdermabrasion** \$90.00

You need to exfoliate your skin periodically to promote new cell growth. This microdermabrasion uses crystals and buffing grains to effectively resurface your skin.

*Approximately 50 minutes*

### **Acne Care Treatment** \$70.00

Includes deep cleansing with proteolytic enzymes to help clear acne lesions. Followed by an enzyme mask, extractions and ends with an anti-inflammatory vitamin C product.

*Approximately 50 minutes*

Our services provide outstanding skin care management ...

### **Brite White** \$150.00

A complement to any skin care is a beautiful smile! Improve the brightness of your smile in just 60 minutes.
